# Dedication

*Sincerely  
A. J. Schaeffer*

The Class of 1950 dedicates this book to *ARNOLD J. SCHAEFFER*, outstanding member of the Lay Faculty at Marmion. Captain Schaeffer is almost a part of our class, for he has helped us and guided us since our entrance within the school's shadow some four years ago.

We will remember Captain Schaeffer forever. We will look back upon his original classes and will realize even more with the passage of time the invaluable assistance he gave us. He will be a living symbol of some of the happier days we spent at Marmion.

It is with the deepest sincerity and thanks that we, the Seniors, dedicate this book to Captain Arnold J. Schaeffer whom we shall always remember fondly as "Cap."

Mick Melvin

Life is full of sharps and flats in a figurative sense. Comes the day when all goes well and the smiles could do justice to a toothpaste ad. Comes another day and the frowns would delight Gloomy Gus. It's the same with cadets: some are sharp all the time in attitude, dress and conduct; others are definitely on the flat side, present pictures excepted of course. We tried to get a picture of a sour-faced cadet, but three cameras couldn't take the strain.

## ★ Band ★

---

Although formed primarily as a marching unit, the Marmion Band has always shown great versatility under the capable guidance of Captain Haugland. In formal concerts, combined with the Glee Club, divided into dance bands, or subdivided into soloists, the cadet instrumentalists have attained the power to soothe the savage breast. On the other hand, their stirring melodies have inspired youthful voices to hoarseness at pep rallies and at football games. Marmion could not get along without the Band.

## ★ Youth Citizenship Day - 1949 ★

Cadets receive decorations annually from various Army and civic groups on Youth Citizenship Day. Usually this occurs during the middle of May and is the occasion of colorful parades and contests. Cadets in above pictures are: MacNamara, Crisanti, Daly, Wagemann and Walker.

# ★ Big Men About Campus ★

Chuck Suter keeps the sun out of his eyes. Joe Migely doesn't like the background. Tony Restivo gives the girls a break. Neiswander gives out with some of the famous profile. Bueter indulges in a little outdoor sport. Joe Napier, of the sunny disposition, enjoys it all. Tennis teams go in for practice beside the barracks. Rose gets a shot in the arm from Miss Ochse.
